

## **Animal Technician – Animal Models Department**

**Date posted:** 07 June 2017

**Location:** Vienna, Austria

### **Position Summary:**

We are looking for a highly motivated animal technician to join our team at the division of Animal models at HOOKIPA Biotech. The main focus of the animal models team is to establish various preclinical tumor models and test the therapeutic efficacy of various drugs in order to translate to clinical practice. These exciting positions require specialized skills associated with preclinical tumor models.

### **Main responsibilities are:**

- Working with infectious substances under BSL-2 conditions
- Observe animal health status routinely, ensure that the care and welfare of the experimental animals are in compliance with regulatory policies, laws and local regulations
- Assessment of therapeutic effect of anti-tumor therapy (e.g. monitor tumor development )
- Accurate and legible documentation and records of experiments
- Ability to work on weekends and statutory holidays if necessary

### **Qualifications:**

- MTA, BTA, Dipl. Ing. (FH), B.Sc. or M.Sc. or equivalent in relevant field (e.g. Biology, Microbiology, Biotechnology)
- Average 3 years of experience with preclinical models in oncology
- Independent, efficient, and proactive workstyle
- Well organized, detail-oriented, hands-on mentality, and solution-oriented
- Experience with Quality systems (e.g. GMP; GLP) is an advantage
- Motivated, flexible, team player, and can work under time pressure
- Eager to learn and develop new techniques
- Fluent in English and German
- Work experience in biopharmaceutical or biotechnology industry is a plus
- Valid EU working permit

### **What we offer:**

- Strong team with dedicated and passionate scientists
- State of the art infrastructure
- An excellent working atmosphere
- Working in a multinational and multicultural environment

Minimum monthly gross salary from EUR 2.225,- all-in; depending on experience and qualification salary can be negotiated. Starting date: As soon as possible
