

## Laboratory Animal Technician

**Date posted:** December 01, 2017

**Location:** Vienna, Austria

### Position Summary:

We are looking for a highly motivated lab technician to join our team at the division of Animal models at HOOKIPA Biotech. The main focus of the animal models team is to establish various preclinical tumor models and test the therapeutic efficacy of various drugs in order to translate to clinical practice. This exciting position requires specialized skills associated with preclinical tumor models.

### Main Responsibilities:

- Working with infectious substances under BSL-2 conditions
- Establish various preclinical tumor models
- Perform different routes of drug administration
- Observe animal health status routinely, ensure that the care and welfare of the experimental animals are in compliance with regulatory policies, laws and local regulations
- Accurate and legible documentation and records of in vivo experiments
- Ability to work on weekends and statutory holidays if necessary

### Qualifications:

- MTA, BTA, Dipl. Ing. (FH), B.Sc. or M.Sc. or equivalent in relevant field (e.g. Biology, Microbiology, Biotechnology). Applications from Animal caretaker 'Tierpfleger/in' are also welcome
- At least 2 years' experience with preclinical models in oncology
- Familiar with regulatory policies, laws and regulations pertaining to animal care and welfare in Austria
- Independent, efficient, and proactive workstyle
- Well organized, detail-oriented, hands-on mentality, and solution-oriented
- Experience with Quality systems (e.g. GMP; GLP) is an advantage
- Motivated, flexible, team player, and can work under time pressure
- Eager to learn and develop new techniques
- Fluent in English and German
- Work experience in biopharmaceutical or biotechnology industry is a plus

### What we offer:

- Strong team with dedicated and passionate scientists
- State of the art infrastructure
- An excellent working atmosphere
- Opportunities for Personal development
- Working in a multinational and multicultural environment

Minimum monthly gross salary from EUR 2.225,- all-in; depending on experience and qualification salary can be negotiated. Starting date: As soon as possible
