

Senior Technical Assistant – Animal Models

Date posted: July 20, 2018

Location: Vienna, Austria

Position Summary:

We are looking for a highly motivated lab technicians to join our team at the division of Animal models at HOOKIPA Biotech. The main focus of the animal models team is to establish various preclinical tumor models and test the therapeutic efficacy of various drugs in order to translate to clinical practice. These exciting positions require specialized skills associated with preclinical tumor models.

Main responsibilities are:

- Working with infectious substances under BSL-2 conditions
- Culture of primary cell and cell lines, multicolor flow cytometry, ELISA, and ELISPOT
- Support and perform immunological techniques including multicolor flow cytometry, ELSIA, ELISPOT, immunocytokines and other immunoassays.
- Establish new *in vitro* and *ex-vivo* assays to characterize the tumor cells and other cells of the tumor microenvironment
- Maintaining primary cells and cell lines.
- Accurate and legible documentation and records of experiments
- Ability to work on weekends and statutory holidays if necessary

Qualifications:

- MTA, BTA, Dipl. Ing. (FH), B.Sc. or M.Sc. or equivalent in relevant field (e.g. Biology, Microbiology, Biotechnology)
- Minimum of 5 years' experience with cell culture, multicolor flow cytometry and immunological assays
- Independent, efficient, and proactive workstyle
- Well organized, detail-oriented, hands-on mentality, and solution-oriented
- Experience with Quality systems (e.g. GMP; GLP) is an advantage
- Motivated, flexible, team player, and can work under time pressure
- Eager to learn and develop new techniques
- Fluent in English and German
- Work experience in biopharmaceutical or biotechnology industry is a plus

**What we offer:**

- Strong team with dedicated and passionate scientists
- State of the art infrastructure
- An excellent working atmosphere
- Working in a multinational and multicultural environment

Minimum monthly gross salary from EUR 2600,- ; depending on experience and qualification salary can be negotiated. Starting date: As soon as possible
